(This is for You)

"Dancing in the Wind"

The wind kisses me on the cheek and sings
of wondrous things. Of mountains covered
in fresh snow and forests shining green.
Adventure calls me through the wind,
I'll follow if I dare. For as long as the wind
is calling me, you'll find me dancing there.
Some say the wind is cold and fierce,
It treads a winding path. Through fearsome
places, fabled heroes, loathe to journey past.
But I shall follow it, if I may,
The wind is calling me. To dance with it
until I find, my hidden destiny.
Adventure's song is sweet and fierce,
it has a throbbing beat. It calls for me
to answer it by singing with my feet.
Do not fear for me at all, my family and friends.

As long as it is calling me,
I'll be dancing on the wind!

Bryn Kasprzyk
